

PREPARING TESTIMONY

Support of Career and Technical Education

Introduction: *List your name and the organization you're representing.*

Purpose: *State your opinion on the subject and a brief personal story of why it is important to you.*

Principle: *What are some of the "big" reasons for your opinion on the subject? How can it help others?*

Facts: *Do you have any key messages or points on the subject? What points do you have to support your principle?*

Conclusion: *What action do you want them to take? Include a thank-you message.*
